FINANCIAL POLICIES

Thank you for choosing to involve us in your healthcare. We are committed to providing you with quality healthcare. Our practice firmly believes that a good physician/patient relationship is based upon understanding and good communication. Thus, this policy is designed to outline our financial policies. Please read it, ask any questions you may have, and sign the bottom of the form. Additional questions can be addressed to our office manager, Sarah, at (208) 322-5922 or info@idahojointandspine.com. If you would like a copy, please let us know.

- 1. Missed and Cancelled less than 24-hour appointments.** Appointments which are cancelled with less than 24-hour notification or "No Show" will be subject to a **\$40.00 fee**. We understand that situations arise in which you must cancel your appointment. It is requested that **if you must cancel your appointment you provide more than 24-hour notice**. This will enable another person who is waiting for an appointment to be scheduled in that appointment slot. The Cancellation and "No Show" fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment. We understand that unavoidable circumstances may cause you to cancel within 24 hours. Fees in this instance may be waived but only with management approval. It is our policy that after three (3) "No Show" appointments or cancellations less than 24 hours during a 12-month period then we reserve the right to discharge you from our practice.
- 2. Late Arrival.** Your time is valuable. In order to respect your time and that of other patients, we ask that you **arrive 5 minutes early**. If you are more than 5 minutes late, we may not be able to keep your appointment slot and you may have to reschedule. If this happens, you may be subject to the fees. If you are regularly late to appointments then we reserve the right to discharge you from our practice.
- 3. Massage Appointments.** Massage Therapy appointments which are cancelled with less than 24-hour notification or "No Show" will be subject to a **\$40.00 fee** and fall under #1 above.
- 4. Insurance.** We participate in most insurance plans, including Medicare and Medicaid (Idaho). If you are insured by a plan we do not participate with, payment in full is expected at each visit. If you are insured by a plan we do business with but don't have an up-to-date insurance card, payment is expected in full each visit until we can verify your coverage. Knowing your insurance coverage is your responsibility. We will attempt to assist in verifying benefits and coverage, but this is not a guarantee. Please contact your insurance company with any questions you may have regarding your coverage.
- 5. Co-payments, Co-insurances, and Deductibles.** All co-payments, co-insurances, and deductible amounts must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect these amounts from patients can be considered fraud and violate our contracts. Please help us in upholding the law and keeping our insurance contracts by paying your portions at each visit.
- 6. Non-covered services.** Please be aware that some – and perhaps all – of the services you receive may be noncovered or not considered reasonable or necessary by your insurance company. You must pay for these services in full at the time of visit.
- 7. Proof of insurance.** All patients must complete our patient information before seeing the doctor. We must obtain a copy of your driver's license or valid legal ID and current valid insurance to provide proof of insurance. If you fail to provide us with correct information in a timely manner, you may be responsible for the balance of your claim. If the coverage you provide is not valid, you will be responsible for the balance.
- 8. Claims Submission.** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.
- 9. Coverage changes.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you. Please be aware that if your insurance company requires a referral to see a specialist and it is your responsibility to ensure that happens.
- 10. Nonpayment.** If your account is over 90 days past due, you will receive a letter stating that you have 20 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you and your immediate family members may be discharged from this practice. If this is to occur, you will be notified by mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will only be able to treat you on an emergency basis.
